

Natural Cambridgeshire Partnership Forum
Agenda for Wednesday 13 March 2024 at 10 am

MEETING BY ZOOM

During the Forum participants will be asked to use chat to suggest future topics they would like to see covered in future meetings

1 Pollinating insects

Hamish Symmington (Cambridge Botanic Garden)

2 A perspective on Cambridgeshire chalk streams

Rob Mungovan (Wild Trout Trust)

3 Tracking our summer migrant birds to understand population declines

Chris Hewson (British Trust for Ornithology)

4 Cambridgeshire and Peterborough Local Nature Recovery Strategy

Gabriella Yeomans (Cambridgeshire County Council)

Cambridgeshire & Peterborough
LOCAL NATURE RECOVERY STRATEGY

An update on progress with developing Cambridgeshire and Peterborough's Local Nature Recovery Strategy followed by an interactive opportunity to tell us about the nature you love and share your ideas to help shape nature recovery in the county
